Highlights from the “IllusionQuest” performance include a comical illusion where David’s assistant ends up all twisted up, a breathtaking illusion where David’s assistant passes right through David’s chest and a transposition called the “World’s Fastest Illusion” where time seems to stand still! David Garrity uses these illusionary elements combined with music, pantomime, situational comedy and audience participation to entertain audiences of all ages and backgrounds.

Recently, David’s show “IllusionQuest” has been seen at Turning Stone Casino in upstate NY, Tribeca Performing Arts Center in NYC, First Night Westport/Weston in CT and has been a featured part of Six Flags New England’s (Agawam, MA) show package for the last four years.

David performs over 500 shows annually along the East Coast and internationally. In 1997, David Garrity created a special event for the management at the Sonesta Beach Resort in Bermuda. David was responsible for providing the magical entertainment as well as serving as emcee for the event. Also, in 1997 David was contracted by Silja Line Cruises in Finland to create a special event that included ambient strolling entertainment and a magic/juggling variety show that ran on the ship twice a day.

In 1991, David formed his own production company, Entertainment Magic. Since then, Entertainment Magic has been responsible for creating entertainment and productions for some of the largest companies in the United States and internationally.

David Garrity writes and creates all of his own shows, as well as shows for other corporations and amusement park companies. David's credits include; creating, writing and directing over 15 magic/variety shows at Six Flags: New England (formerly Riverside Park) in Agawam, MA, since 1992. David has also served as artistic/production director and consultant for the "The Ronald McDonald Big E Show" since 1994.
